

8

REASONS TO CHOOSE LEARN AS YOUR LMS

1 OUR USER INTERFACE IS SIMPLY STUNNING

Learn LMS has a beautiful, elegant and responsive design that keeps users happy and engaged. Our LMS has a simple navigation, a graphical class catalog, and attractive dashboards for students, trainers and administrators.

2 WE HAVE A RICH SET OF FEATURES

We're constantly adding new features, we support many industry standards and we integrate with a wide variety of systems such as Google Docs, LDAR Calendars (iCal) and SMTP/POP3.

3 SELL COURSES USING OUR E-COMMERCE FEATURE

Set prices for courses and allow students to purchase them from our graphical course catalog.

Our shopping cart supports multiple discount codes and multiple currencies, with Paypal or Stripe as supported payment gateways.

4 CUSTOMISE YOUR PORTAL

Learn LMS is highly customisable, with options for configuring your logo, color scheme, URL, shortcuts and fonts.

You can even customise the site terminology or use our

5 MAKE IT EASY FOR YOUR STUDENTS TO CONNECT WITH OUR COLLABORATION TOOLS

Learn LMS has built-in support for wikis, blogs, chat rooms, groups, and forums.

Users can connect as friends with other users in order to message and exchange resources.

6 DETAILED ANALYTICS AND REPORTING TOOLS

Create reports and charts of interesting data such as assessments, results, unit progress, proficiency coverage, missing work, student activity, course status, completion status, and resource usage.

7 GREAT CUSTOMER SUPPORT

Our friendly support team is very helpful and respond to questions posted to our support forum in a timely manner.

We also have in-platform searchable online help, 'how-to' videos, and getting started guides.
